Heating System Give Away

At Christmas, we celebrate God giving His greatest gift of Jesus to the world. Accurate Heating & Cooling and Bryant want to share in this spirit of giving as well. We will provide and install one heating system to a local family in immediate need. Please complete the form below and include an explanation of the heating need and how the system would make a difference. Applications must be received by Monday December 17, 2018 to be considered. A winning family will be announced on Christmas Eve with installation completed in January 2019, if possible.
